

Powder Coat Finishes

Optional colors are now available in our baked-on Powder Coated Finish. Simply add "SPO" paint code to your purchase order to customize and coordinate your new equipment. Note: product must currently be available in powder coat for upgrade. Look for the PC symbol next to the product for option compatibility. Please contact factory for lead time and pricing for this value added feature.

Specialty Liquid Coatings

STEEL-IT
TOP COAT
PRIMER
SPO-LS-SS

Steel-It Polyurethane Coating option provides a cost-effective alternative when equipment has to have incidental food contact rating. Coating can be used in some mild wash-down applications.

LINE-X
SPO-LS-LX

LINE-X spray on Polyurea/Polyurethane Coatings. Coating applications extend into a wide range uses in automotive, construction, agricultural, military/defense & industrial applications. Polyurea has high impact, abrasion and mild chemical resistance. Check with factory for chemical compatibility.

CA Residents see
WARNING A, Pg. 459

ZRC
SPO-LS-ZRC

ZRC Cold Galvanized Compound Coating provides good corrosion resistance and protection in most common wash-down applications. ZRC Coating produces a zinc-rich finish.
