

VARIABLE HEIGHT SHEET RACK - KNOCK DOWN

Knock Down & Reassemble When Needed

Standard Features:

- Easy to ship and store.
- Perfect for use with multiple sizes of material.
- Bays are different heights to increase visibility of stored materials.
- Steel construction provides strength and durability.
- Compact and knock down design allows for maximum floor space.
- Specifically designed and manufactured to make reassembly quick and easy.
- Designed to ensure that repeated assembly/disassembly does not cause premature wear.
- Baked-in powder-coated toughness, smooth finish to minimize abrasion and wear.
